Hi Randy,

Got you voice mail. I have the contact information for the four General Notice letter mailings in each of the GNLs themselves, in Enclosure E, however they are not in excel spreadsheet format.

I also would like to have the information in a more useable format. I will be out of the office from Thursday, Nov. 3 through Tuesday, Nov. 8, when I come back to the office on Wednesday, I will make this my priority to get this information pulled together and get it to you.

Cynthia Brown
